

Adopt-A-Spot and Adopt-A-Street

The Town has two volunteer programs that encourage groups, businesses and individuals to care for and beautify a portion of Town property. The Adopt-A-Spot program encourages the beautification of a highly visible area that can vary in size from 10 to 500 sq. ft. The planting and maintenance of flowers or colorful shrubs are encouraged. In the Adopt-A-Street program, volunteers keep a section of roadway clear of trash. Contact Ralph Ramsaur at 704-708-1250.
